¹ Notes on using the cover page:

1. The cover page could be used as a complement to submitting detailed forms adopted at the Meetings of the States parties in instances when the information to be provided in some of the forms in an annual report is the same as in past reports. That is, when using the cover page, only forms within which there is new information would need to be submitted.
2. The cover page could be used as a substitute for submitting detailed forms adopted at the Meetings of the States parties only if all of the information to be provided in an annual report is the same as in past reports.
3. If an indication is made on the cover sheet that the information to be provided with respect to a particular form would be unchanged in relationship to a previous year's form, the date of submission of the previous form should be clearly indicated.
4. The cover page may be used for subsequent annual reports and is not to be used for the initial Article 7 report submission.

Lao PDR	Mine clearance	NZ\$11,100,000	Financial	New Zealand provided NZD11.1m of assistance to support demining in Lao PDR. This four year (2016-2020) activity provides funding through a

				UNDP trust fund to clear approximately 1,050 hectares of land contaminated by Unexploded Ordnance (UXO) in Xieng Khouang Province, including that of a significant proportion of cluster munitions remnants. A New Zealand Technical Adviser delivers training, as well as monitoring and quality assurance of clearance activities, in conjunction with UXO Lao (the Lao national clearance operator).
Colombia	Mine clearance	NZ\$747,200	Financial	New Zealand provided NZ\$747,200 to The HALO Trust to support mine clearance operations in Colombia. This support began in June 2017 for an initial two-year period, and New Zealand has since extended funding for an additional two years (2020 – 2022).
Iraq	Risk education	NZ\$502,800	Financial	New Zealand provided NZ\$502,800 to Quality Solutions International to support the placement of a New Zealand explosive threat mitigation adviser within UNMAS Iraq. This support began in June 2018 for an initial two-

				year period and New Zealand is currently considering UNMAS Iraq's request to extend our funding of the role.
Solomon Islands	Mine clearance	N/A	In kind	New Zealand Defence Force personnel contributed to the Australian-led operation 'Render Safe' to reduce the impacts of explosive remnants of war in the South West Pacific. As part of this, New Zealand Explosive Ordinance Disposal personnel helped to safely dispose of over 1,000 remnants of war in the Solomon Islands.
Solomon Islands	Mine clearance	N/A	In kind	As part of a broader project to upgrade Honiara's Multi-Purpose Hall, New Zealand conducted a site survey for unexploded ordinance as part of the preparatory work in advance of groundworks commencing.
